

42-7

A female athlete with long brown hair, wearing a red and black athletic uniform, is captured in the middle of a shot put throw. She is positioned on a circular concrete throwing area on a green grass field. Her body is twisted, and her arm is extended forward, releasing the shot put. In the background, several people are standing on the field, and orange distance markers with numbers like 30 and 40 are visible. A green line is painted on the grass, extending from the throwing area.
